

Frequently asked questions about your appointment

What appointment am I attending?	Spinal Cord Injury Clinic – New Patient Appointment.
What is a Spinal Cord Injury Clinic New Patient Appointment?	A doctor will discuss any concerns you have and may carry out assessments with you. Together with your doctor, you will plan on how best we can help.
Do I need to bring anyone with me?	If you can, bring one family member or friend with you. If you are coming from a hospital or a residential facility, you can bring a staff member with you.
Do I need to bring anything with me?	Yes. Bring your appointment letter, list of current medications and any small equipment you have, such as splints, walking aid, or communication aid.
How long will my appointment take?	Approximately 45–60 minutes.
Where is my appointment?	<p>Outpatient Department, Unit 6.</p> <p>Follow the purple line on the map on the back of this page.</p> <p>The Eircode for the NRH is A96 RPN4. Unit 6 is located at the back of the hospital campus, not in the main hospital building.</p> <p>Free parking is available in Car Park P3, beside Unit 6.</p>
If I can't attend my outpatient appointment, what do I do?	Call 01 235 5550 or email opd.admin@nrh.ie as soon as possible.
What happens if I don't call and don't turn up for my appointment?	You may be discharged from our services.

IMPORTANT: Before being left at the hospital by your taxi, ambulance or other driver, please check that you are at the correct location.
